# WONDERS of WORLD AVIATION

*Weekly Parts 7d*

Editor: Clarence Winchester, A.R.Ae.S.I.

Consulting Editor: J. Laurence Pritchard,  
Hon. F.R.Ae.S.

WONDERS OF WORLD AVIATION is the first really reliable and comprehensive survey of aeronautics, from the earliest times to the present day, yet produced in this country.

Among the long list of contributors are to be found the following authors whose names will be familiar to you as authoritative writers on various branches of aeronautics.

**Captain NORMAN MACMILLAN, M.C., A.F.C., A.F.R.Ae.S.**

**M. LANGLEY, M.I.Ae.E. G. M. BUXTON C. S. STANILAND**

**D. A. RUSSELL, A.I.Mech.E. Professor D. BRUNT, M.A., B.Sc.**

**J. L. NAYLER, Secretary Aeronautical Research Committee**

**Major OLIVER STEWART, M.C., A.F.C.**

**Squadron Leader P. R. BURCHALL, O.B.E.**

**Major CHARLES C. TURNER**

The work will be illustrated with a series of

## MAGNIFICENT PHOTOGRAPHS

There will be special sections reproduced in photogravure and a marvellous collection of  
**PLATES IN FULL COLOUR**

Part 1 includes a superb folding plate, in three colours, of the new Short-Mayo Composite Aircraft. The photogravure section illustrates work with Parachutes.

**HUNDREDS OF MAPS and DIAGRAMS**  
in the complete work

The Amalgamated Press Ltd.

## Buy PART 1 NOW
